

Dr. Md. Rashidul Hassan, M.D, FCPS (MED), MCPS (MED), MBBS.
Kapotakkho Shan Villa, Flat # A-6, H # 5, B-2, Road-1 Dhaka-1205
BANGLADESH
Tel: :+880-171-1576783[Mobile]
e-mail : mrhassan07@gmail.com

PERSONNEL:

1. Name : **Mohammad Rashidul Hassan**
2. Father's Name : Late Alhaj M.A. Khaleque
3. Mother's Name : Late Aklima Begum
4. Parmanent Address : Khaleque Lodge, 4 Roy Para Road
Dolekhola, Khulna, Bangladesh
5. Present address : Kapotakkho Shan Villa, Flat # A-6,
H # 5, B-2, Road-1 Dhaka-1205
BANGLADESH
6. Date of Birth : January 03, 1958
7. Nationality : Bangladeshi by birth
11. Present Position : **Chairman**
Ingenious Health Care Limited
12. Immediate past position : Director cum Professor
National Institute of Diseases of the Chest and Hospital,
Dhaka 1212, Bangladesh

PROFILE:

- Possess Bangladeshi Citizenship by birth.
- Chairman, Ingenious Health Care Limited, Bangladesh
- Director cum Professor,
National Institute of Diseases of the Chest and Hospital [NIDCH], Dhaka 1212, Bangladesh
- A medical pioneer over last 25 years in Bangladesh in:
 - Developing modern asthma management in Bangladesh
 - Founding Asthma Association in Bangladesh to propagate evidence based treatment and asthma education in GP level
 - Establishing 175 bedded National Asthma Center in Bangladesh
 - Organizing asthma research in Bangladesh
 - Initiates MDR TB management in Bangladesh on the basis of Clinical MDR without Culture report
 - Introducing Fiber-optic Bronchoscopy in Bangladesh
 - Introducing Radio-frequency Ablation Therapy (RFT) in lung cancer in Bangladesh

- Fund raising and editing publications for Asthma Association in Bangladesh
- Organizing workshop on “Integrating Evidence Based Medicine in Clinical Practice” through out Bangladesh since 2008 in collaboration with Columbia University New York
- Founding Bangladesh Lung Foundation to propagate knowledge of Pulmonary Medicine At grass route level
- Founding Shouhardo Foundation to extend hand for the helpless children and aged people of Bangladesh

Work includes:

- a) Consultation services for admitted and outpatients with TB, MDR TB and other respiratory diseases
- b) Interpreting difficult spirometry, Body box ABG and CPET.
- c) Taking practical classes on Video Bronchoscopy
- d) Performing Video Bronchoscopy in difficult cases
- e) Taking classes and practical sessions of post-graduate students.
- f) Organizing CME programs, Journal Clubs, workshops and International conferences etc.
- g) Guide for students in thesis and research works.

PROFESSIONAL INTERESTS:

- First RFA Surgeon in Bangladesh and performed more than 500 Radio frequency ablation therapy in various types of non-small cell lung cancer and metastatic lung cancer.
- First organizer to establish Center of Excellence for Bronchial Asthma and COPD patient in government level as 175 bed National Asthma Center in Bangladesh.
- First Organizer to develop treatment of Multi drug resistant Tuberculosis patient with the help of different non-government organizations [NGOs] in the National Institute of Diseases of Chest and Hospital, Dhaka, Bangladesh.
- First trainer to establish of Fiber optic Bronchoscopy in Bangladesh.
- Organizer for improvement of respiratory services for patients with chest diseases.
- First organizer to increase social awareness about importance Patient education program in chronic care patients.
- Organizer for awareness program of phasing out CFC Inhaler in Bangladesh by 2012
- Organizer of “Integrating Evidence Based Medicine in Clinical Practice” Workshop throughout Bangladesh

EDUCATION:**Doctoral degree in Medicine, (M.D.): Chest Diseases**

July 1995

University of Dhaka, National Institute of Diseases of the Chest and Hospital, Mohakhali, Dhaka 1212, BANGLADESH

Fellow of College of Physician & Surgeon, (F.C.P.S.): Medicine

January 1990

Bangladesh College of Physicians and Surgeons, Mohakhali, Dhaka 1212, BANGLADESH

Member of College of Physician & Surgeon., (M.C.P.S.): Medicine

January 1988

Bangladesh College of Physicians and Surgeons, Mohakhali, Dhaka 1212, BANGLADESH

Baccalaureate in Medicine & Surgery, (MBBS)

September 1982

University of Chittagong, Chittagong Medical College, Chittagong, BANGLADESH

PROFESSIONAL LICENSURE:**Registration as a Medical Practitioner,**

June 1984

*Bangladesh Medical & Dental Council (BMDC) Reg. # A12348***HOSPITAL RESIDENCY:**

Completed one year full time rotational internship at Chittagong Medical College Hospital,
Chittagong, Bangladesh from 7th March 1983 to 6th March 1984

RESEARCH TRAINING:

Participated in the “Workshop on Research Methodology” conducted by Bangladesh Medical
Research Council (BMRC) held in June 1992.

POSTGRADUATE TRAINING:

Sl. No.	Name of Training	Institute	Year	Field
1.	Assistant Registrar	Sher-e-Bangla Medical College Hospital, Barisal, BANGLADESH	1986-88	Internal Medicine
2.	Post Graduate training as Residential Physician.	Sher-e-Bangla Medical College Hospital, Barisal, BANGLADESH	1990-92	Internal Medicine

MINISTRY OF HEALTH [MOH] POSTING:

Sl. No.	Designation	Place of Posting	From	To
1.	Medical Officer	Chittagong Medical College and Hospital, Chittagong	07-03-84	18-06-84
2.	Medical Officer	Chitalmari Health Complex, Bagerhat	24-06-84	09-07-85
3.	Medical Officer	Deputed to IPGMandR for FCPS Part-I course	16-07-85	23-08-86
4.	Asstt. Registrar	Sher-e-Bangla Medical College and Hospital, Barisal	25-08-86	31-01-89
5.	Asstt. Registrar	Deputed to IPGMandR for FCPS Part-II course	02-02-89	09-06-90
6.	Resident Physician	Sher-e-Bangla Medical College and Hospital, Barisal	16-06-90	13-01-93
7.	Resident Physician	Rajshahi Medical College and Hospital, Rajshahi	21-01-93	13-03-93
8.	Junior Consultant	Deputed to the Institute of Diseases of the Chest and Hospital, Dhaka for M.D. (Chest) course from Bhola Sadar Hospital	18-03-93	05-04-95

MINISTRY OF HEALTH [MOH] TEACHING POSITIONS: A total of 30 years

Sl. No.	Designation	C.C./ Regular	Subject	Place of Posting	From	To
1.	Assistant Registrar	Regular	Medicine	SBMCH, Barisal	25-08-86	31-01-89
2.	Resident Physician	Regular	Medicine	SBMCH, Barisal	16-06-90	13-01-93
3.	Assistant Professor	C.C.	Respiratory Medicine	NIDCH, Dhaka	05-04-95	18-5-99
4.	Associate Professor	Regular	Respiratory Medicine	NIDCH, Dhaka	18-5-99	10-07-04
5.	Professor	C.C	Respiratory Medicine	NAC, NIDCH, Dhaka	11-07-04	23-11-13
6.	Professor	Regular	Respiratory Medicine	NAC, NIDCH, Dhaka	23-11-13	Till date
7.	Director	C.C	NIDCH and NAC	NIDCH	21-05-12	23-11-13
8.	Director	Regular	NIDCH and NAC	NIDCH	21-05-12	03-07-16

B. Abstracts & Oral Presentations:

1. Management of Asthma at home - in 1st Workshop on Asthma at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 5, 1996.
2. Concept of COPD: An Update - in 2nd Workshop on Asthma & COPD at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 5, 1997.
3. Pitfalls in asthma management - in 3rd Workshop on Asthma & Chest diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 6, 1998.
4. Multi Drug Resistant Tuberculosis: problem on the rise – in 20th Scientific Seminar of the Chest and Heart Association of Bangladesh at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, December 17, 1998.
5. Multi Drug Resistant Tuberculosis: an update on diagnosis and management – in 20th Scientific Seminar of the Chest and Heart Association of Bangladesh at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, December 17, 1998.
6. 1st National Asthma Prevalence Study (NAPS) in Bangladesh 1999 - in 1st International Workshop on Asthma & Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 2, 1999.
7. From Non-Compliance to DOTS: Proposed Role of Family Physicians in TB Control. - in 1st International Workshop on Asthma & Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 3, 1999.
8. Fiberoptic Bronchoscopy for the diagnosis of lung lesions- experiences from a private center - in 1st International Workshop on Asthma & Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 3, 1999.
9. Prevalence of Tuberculosis among garment workers of Dhaka city: A pilot study - in 1st International Workshop on Asthma & Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 4, 1999.
10. A Pilot Study on Screening of High Risk Individuals for Early Detection of Lung Cancer- in 1st International Workshop on Asthma & Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 3, 1999.
11. Clinical Experience and Treatment outcome of Cough Variant Asthma. - in 1st International Workshop on Asthma & Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, November 4, 1999.
12. Screening of High Risk Individuals for Early Detection of Lung Cancer- A Pilot Study. Presented at 21st scientific seminar of the Chest & Heart Association of Bangladesh, Dhaka. March 30, 2000.
13. Caring, compassionate, caution and comforting: the criteria for efficient communication in carcinoma lung - in 22nd Scientific Seminar of the Chest and Heart Association of Bangladesh at Hotel Sheraton, Dhaka, November 18, 2000.
14. Attitude and perception of family members of patients with lung cancer - preliminary findings. Presented at 22nd Scientific Seminar of the Chest & Heart Association of Bangladesh, Dhaka. November 18, 2000.
15. Prevalence and morbidity of Tuberculosis among garment workers of Dhaka city. Presented at 21st IUATLD Eastern region conference, March 2001, Manila, Philippines.
16. Attitude and perception of family members of patients with lung cancer. Presented at 1st SAARC Conference on Clinical Oncology, Dhaka. March 2001.
17. Comparative study of hypertonic saline and methacholine in bronchoprovocation test for asthma patients - in 5th Workshop on Asthma and Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, May 1, 2001.
18. Patient follow-up, pitfalls and misconceptions in asthma - in 5th Workshop on Asthma and Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, May 1, 2001.
19. Tele monitoring of bronchial asthma: a new frontier - in 5th Workshop on Asthma and Chest Diseases at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, May 2, 2001.
20. Study of Capecitabine in the treatment of Billiary Cancers - in Seminar on Xeloda at Pan Pacific Hotel Sonargaon, Dhaka, May 2001.

21. Air Pollution and Chest Diseases - in International Seminar on Air Pollution in Dhaka City, Organized by Franco-Bangladesh Association of Scholars and Trainees, October 30, 2001.
22. The challenge of Chest diseases: are we prepared to face it? - in 23rd Annual Conference of The Chest and Heart Association of Bangladesh at Hotel Sheraton, Dhaka, January 24, 2002.
23. Patient's access to Bronchoscopy – Analysis of pertinent factors. - 23rd Annual Conference of The Chest and Heart Association of Bangladesh at Hotel Sheraton, Dhaka, January 24, 2002.
24. Resistant Tuberculosis – an emerging challenge. – in Intercollegiate Scientific conference, organized by Bangladesh College of Physicians & Surgeons, at BCPS Auditorium, Dhaka, January 29, 2002.
25. Prevalence rate and complications of pulmonary tuberculosis in garment workers of Dhaka city. – in Intercollegiate Scientific conference, organized by Bangladesh College of Physicians & Surgeons, at BCPS Auditorium, Dhaka, January 29, 2002.
26. Ablation of lung tumors using percutaneous Radio Frequency Therapy (RFT): A promising alternative. – in Intercollegiate Scientific conference, organized by Bangladesh College of Physicians & Surgeons, at BCPS Auditorium, Dhaka, January 30, 2002.
27. Magnitude of asthma problem in Bangladesh: findings of National asthma Prevalence Study 1999. – in Intercollegiate Scientific conference, organized by Bangladesh College of Physicians & Surgeons, at BCPS Auditorium, Dhaka, January 30, 2002.
28. Prevalence of asthma in areas with high and low pollution in Bangladesh – a comparative study. – in Intercollegiate Scientific conference, organized by Bangladesh College of Physicians & Surgeons, at BCPS Auditorium, Dhaka, January 30, 2002.
29. Etiology of chronic cough in suspected patients of Cough Variant Asthma – a prospective study. – in Intercollegiate Scientific conference, organized by Bangladesh College of Physicians & Surgeons, at BCPS Auditorium, Dhaka, January 30, 2002.
30. Study of Asthma/Wheeze in Bangladesh. – in Scientific Seminar to disseminate research results, organized by Bangladesh Medical Research Council, at IPH Conference Hall, Dhaka, February 14, 2002.
31. Air Pollution and Chest Diseases – in 1st National Conference on Environmental Health in Bangladesh, Organized by Bangladesh Poribesh Andolon (BAPA), at Sasakawa Auditorium, ICDDR, Dhaka, February 19, 2002.
32. A comparative study on asthma prevalence in areas with high and low pollution in Bangladesh. – in 6th Workshop on Asthma and Chest Diseases, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 7, 2002.
33. Methacholine bronchoprovocation test – experience in a private hospital. – in 6th Workshop on Asthma and Chest Diseases, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 8, 2002.
34. Radio Frequency Ablation Therapy in Lung Cancers: Bangladeshi experiences. – in 6th Workshop on Asthma and Chest Diseases, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 8, 2002.
35. Telemedicine in asthma management – in rural areas using digital stethoscope and spirometry. . – in 6th Workshop on Asthma and Chest Diseases, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 9, 2002.
36. Combination therapy in asthma management. – in 6th Workshop on Asthma and Chest Diseases, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 9, 2002.
37. A new approach to asthma management with combination therapy. – in 1st annual conference of National Primary Care Physician Respiratory Group (NPCRG), Khulna, September 20, 2002.
38. Role of different risk factors in development of asthma in the coastal population of Bangladesh. - in 7th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 6, 2003.
39. Newer frontiers in asthma management: NAEPP Expert Panel Report update 2002. - in 7th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 6, 2003.
40. Diagnosis and Management of asthma: Recent guidelines of British Thoracic Society. - in 7th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 6, 2003.

41. Measurement of health related quality of life by giving combination therapy in single device and multiple devices. - in 7th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 6, 2003.
42. Effects of dietary modification on COPD patients. - in 7th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 6, 2003.
43. Skin prick testing allergens in asthma patients: experiences at a private center. - in 7th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 7, 2003.
44. A comparative study on asthma prevalence in high & low pollution areas of Bangladesh. - in XVII World Asthma Congress, St. Petersburg Russia. 5-8 July 2003.
45. Radio frequency ablation therapy (RFT) in lung cancer – Bangladeshi experiences. – in 22nd IUAT&LD Eastern Region Conference, Katmandu, Nepal. September 22-25, 2003.
46. Impediments to patient's access to bronchoscopy in Bangladesh – in 22nd IUAT&LD Eastern Region Conference, Katmandu, Nepal. September 22-25, 2003.
47. Fibreoptic bronchoscopy at YDF hospital: Analysis of referrals & impediments. in 4th national Convention & Scientific Seminar of Bangladesh Society of Medicine, at Dhaka Sheraton Hotel, Dhaka, December 14, 2003.
48. Prevalence of reported asthma symptoms in children of Bangladesh. – in 1st National Congress & Scientific Session of Bangladesh Pediatric Pulmonary Forum. Dhaka Sheraton Hotel, Dhaka. December 17, 2003.
49. Childhood asthma: Six years' experience at the asthma center in NIDC&H. – in 1st National Congress & Scientific Session of Bangladesh Pediatric Pulmonary Forum. Dhaka Sheraton Hotel, Dhaka. December 17, 2003.
50. Telemedicine in Bangladesh. – in workshop on telemedicine at Bangladesh University of Engineering & Technology. Dhaka, January 9, 2004.
51. A comparative study on asthma prevalence in high and low pollution areas of Bangladesh. – in 4th World asthma Meeting, Bangkok, Thailand. February 16-19, 2004.
52. Role of different risk factors in the development of asthma in coastal areas of Bangladesh. – in 4th World asthma Meeting, Bangkok, Thailand. February 16-19, 2004.
53. Effects of dietary modification on some aspects of anthropometry and pulmonary functions in patients with COPD. – in 4th World asthma Meeting, Bangkok, Thailand. February 16-19, 2004.
54. Salbutamol as MDI with holding chamber is equally effective as nebulized salbutamol in acute asthma. – in 4th World asthma Meeting, Bangkok, Thailand. February 16-19, 2004.
55. Radio frequency ablation therapy (RFA) in lung cancer: state of art issue and practical experiences in Bangladesh. – in Joint Conference of College of Physicians & Surgeons Pakistan and Bangladesh College of Physicians & Surgeons. Karachi, Pakistan. March 7-9, 2004.
56. Effects of dietary modification on some aspects of anthropometry and pulmonary functions in patients with COPD. – in Joint Conference of College of Physicians & Surgeons Pakistan and Bangladesh College of Physicians & Surgeons. Karachi, Pakistan. March 7-9, 2004.
57. Role of different risk factors in the development of bronchial asthma in coastal area – in Joint Conference of College of Physicians & Surgeons Pakistan and Bangladesh College of Physicians & Surgeons. Karachi, Pakistan. March 7-9, 2004.
58. Women's issue in pulmonary medicine and it's management. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
59. Role of different risk factors in the development of bronchial asthma in Bangladesh: an age, sex and economic status matched prospective study: Introduction & Methodology. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
60. Role of different risk factors in the development of bronchial asthma in Bangladesh: an age, sex and economic status matched prospective study: Results. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
61. Role of different risk factors in the development of bronchial asthma in Bangladesh: an age, sex and economic status matched prospective study: Discussion & Conclusion. - in 8th Workshop on Asthma

- and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
62. Long acting bronchodilators in asthma management. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 63. Nutrition and respiratory diseases. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 64. Effects of dietary modification on pulmonary functions in patients with stable COPD. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 65. An insight into asthma and the environment. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 66. An account of indoor allergens. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 67. Prevention of asthma: strategies for control of indoor allergens. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 68. Environment and lifestyle factors in pediatric asthma. - in 8th Workshop on Asthma and COPD, at Institute of Child & Mother Health Auditorium and Dhaka Sheraton Hotel, Dhaka, May 3-4, 2004.
 69. Role of different risk factors in the development of Bronchial asthma in Bangladesh: an age, sex and economic status matched prospective study. – in World Conference on Magic Bullets, Celebrating Paul Ehrlich's 150th Birthday, Nurnberg, Germany. September 9-11, 2004.
 70. Practical aspects in the diagnosis and management of allergic diseases: an experience in Bangladesh. – in 10th Biennial Congress of the Trans-Pacific Allergy & Immunology Society. Hilton Towers, Mumbai, India. November 22-23, 2004.
 71. Role of different risk factors in the development of bronchial asthma in Bangladesh: an age, sex and economic status matched prospective study. – in 10th Biennial Congress of the Trans-Pacific Allergy & Immunology Society. Hilton Towers, Mumbai, India. November 19-23, 2004.
 72. Effects of modified diet on stable COPD patients. – in 12th National Convention & Scientific Session, Bangladesh Physiological & Pharmacological Society. Ibrahim Medical College, Dhaka. December 3, 2004.
 73. Telemedicine in Bangladesh: present & future. – in 16th Annual Convention & Scientific Conference, Association of Physicians of Bangladesh. Pan Pacific Sonargaon Hotel & Milon Hall, BSMMU, Dhaka. March 23, 2005.
 74. Effects of air pollution on respiratory health: bird's eye view. - in 9th Workshop on Asthma and COPD, at Bangladesh-China Friendship Conference Center, Dhaka, May 3-4, 2005.
 75. A study of ambient air pollution level in Dhaka city and it's effect on lung functions. - in 9th Workshop on Asthma and COPD, at Bangladesh-China Friendship Conference Center, Dhaka, May 3-4, 2005.
 76. In depth investigation of Risk factors of asthma in a developing country. – in American Thoracic Society Conference, San Diego California, USA, May 20-25, 2005.
 77. Health hazards of air pollution – an update. – in National Scientific Session of Bangladesh Physiological & Pharmacological Society 2005 at Mymensingh Medical College, July 10, 2005.
 78. Allergen avoidance strategies in bronchial asthma. 3rd national Conference, Bangladesh Society of Allergy & Immunology. Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, September 22, 2005.
 79. High vegetable fat and low carbohydrate diet in malnourished stable COPD patients - effects on anthropometry and lung functions - in 23rd IUATLD Eastern region conference, September 25-28, 2005, Lahore, Pakistan.
 80. Etiology of asthma: an in-depth investigation of risk factors in a developing country - in 23rd IUATLD Eastern region conference, September 25-28, 2005, Lahore, Pakistan.
 81. High prevalence of asthma in low polluted coastal areas in Bangladesh warrants in depth investigation on causes of asthma in low-income countries. - in 23rd IUATLD Eastern region conference, September 25-28, 2005, Lahore, Pakistan.

82. Asthma in Bangladesh: magnitude of the problem, situation analysis & follow-ups. – in 2nd International Congress on Pulmonary Diseases, Intensive Care and Tuberculosis, organized by National Research Institute of Tuberculosis and Lung Diseases. Tehran, Iran. November 15-18, 2005.
83. Telemedicine in Bangladesh (Key-note paper). – in IT festival, organized by Computer Club of Dhaka Medical College, at DMC, Dhaka, February 5, 2006.
84. Asthma in Bangladesh: magnitude of the problem, situation analysis & follow-ups. – in International Biennial Conference on Tuberculosis & Lung Diseases, organized by Pakistan Chest Society, at Hotel Pearl Continental, Karachi, April 19-21, 2006.
85. Effects of nutritional modification on anthropometry and lung functions of COPD patients. – in International Biennial Conference on Tuberculosis & Lung Diseases, organized by Pakistan Chest Society, at Hotel Pearl Continental, Karachi, April 19-21, 2006.
86. Experiences in managing multi-drug resistant tuberculosis (MDR-TB) at NIDC&H in Bangladesh – in International Biennial Conference on Tuberculosis & Lung Diseases, organized by Pakistan Chest Society, at Hotel Pearl Continental, Karachi, April 19-21, 2006.
87. Telemedicine in Bangladesh: present & future. – in International Biennial Conference on Tuberculosis & Lung Diseases, organized by Pakistan Chest Society, at Hotel Pearl Continental, Karachi, April 19-21, 2006.
88. Basic facts about asthma. - in 10th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 1, 2006.
89. Evaluation of self care manual in bronchial asthma. - in 10th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 1, 2006.
90. Experience of radio frequency ablation therapy (RFA) in a developed and a developing country – an encouraging scenario. - in 10th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 1, 2006.
91. Country profiles on asthma- Asthma in Bangladesh: magnitude of the problem, situation analysis & follow-ups. - in 10th Workshop on Asthma and COPD, at Bangladesh College of Physicians & Surgeons (BCPS) Auditorium, Dhaka, May 2, 2006.
92. Radio frequency ablation (RFA): a component of multimodality treatment of non-small cell lung cancer (NSCLC). – in Inaugural Australian Lung Cancer Conference: Multidisciplinary Care. Cairns, Queensland, Australia. June 30 – July 2, 2006.

C. Books, Book Chapters & Journals:

1. **Hassan M.R [Editor in chief]** Hossain MA, Mahmud AM, Kabir ARML, Amin MR, Bennoor KS, Rahman MM. eds. *National Asthma guidelines for medical practitioners* 1st ed. Asthma Association, Dhaka, 1999.
2. **Hassan M.R [Editor in chief]** Hossain MA, Mahmud AM, Kabir ARML, Amin MR, Bennoor KS, Rahman MM. eds. *National Asthma guidelines for medical practitioners* 2nd ed. Asthma Association, Dhaka, 2001.
3. **Hassan M.R [Editor in chief]** Hossain MA, Mahmud AM, Kabir ARML, Amin MR, Bennoor KS, Rahman MM. eds. *National Guidelines : Asthma, Bronchiolitis and COPD*. Asthma Association, Dhaka, 2005.
4. **Hassan M R [Editor in Chief]** Hossain MA, Mahmud AM, Kabir ARML, Amin MR, Bennoor KS, Rahman eds. *Bangladesh Lung Health Manual, Volume 1, Asthma*, Bangladesh Lung Foundation, Dhaka, 2009

AUTHOR OF BOOKS: (Manuscripts are written in native language *Bengali*)

1. Asthma Guide for patient
2. Asthma management plan and asthma Diary
3. Spacer and Nebulizer
4. Exercise and Asthma
5. Peak Flow Meter and Self Management plan
6. Steroid and Asthma
7. Childhood Asthma
8. Pregnancy and Asthma
9. Asthma Training Manual for Nurses

PRODUCER OF VIDEO TAPES: (Manuscripts are written in native language *Bengali*)

1. Effortless easy breathing
2. Childhood Asthma
3. Inhaler , Spacer and Nebulizer in Asthma
4. Use of Peak Flow Meter and Self Management Plan
5. Use of Oxygen in Medical Science
6. Allergy and prevention of allergy

LIST OF COMPLETED RESEARCH PROJECTS:

1. Effect Of *Momordica Charantia* (Karolla) extracts on Fasting and Postprandial (2 Hours After 75 Gm Oral Glucose) Serum Glucose Levels in NIDDM Patients .This work was supported by a grant from Bangladesh Medical Research Council (BMRC) 1991 as a Co -Investigator .
2. Determination of Predictive Indices in Corticosteroids Responders and Non-Responders suffering from Chronic Obstructive Pulmonary Diseases (COPD) 1995. This work was supported by a grant from Bangladesh Medical Research Council (BMRC) as a Principal Investigator.
3. National Asthma Prevalence Study -1999, Bangladesh This work is supported by a grant from Asthma Association and The Chest &Heart Association of Bangladesh as a Principal Investigator.
4. Prevalence rate, and complications of tuberculosis in garments worker of Dhaka city 2000. This work is supported by a grant from Bangladesh Medical Research Council (BMRC).---- as a Principal Investigator
5. A Comparative Study on Asthma Prevalence in Areas with High & Low Pollution in Bangladesh - 2001. This work is supported by a grant from Bangladesh Medical Research Council (BMRC) as a Principal Investigator.
6. Role of different risk factors in the development of Bronchial asthma: an age, sex and economic status matched case control study ---- Self financed as a Principal Investigator.
7. Burden of Obstructive lung Diseases Study of Bangladesh, 2006 (BOLD study-2006) by a grant from Bangladesh Medical Research Council (BMRC), as a Principal Investigator.
8. Refectory Asthma Risk factor analysis : a case control study , 2007,v

LIST OF ONGOING RESEARCH PROJECTS:

1. Etiological pattern of Community acquired pneumonia (CAP) in Bangladesh.
2. Detection of different Bangladeshi allergen triggering allergy and asthma.
3. Role of Tranexamic acid nebulization in the treatment of hemoptysis , a randomized single blind control trial.
4. Role of oral Retinol & Zinc therapy in open Pulmonary Tuberculosis, a randomized single blind control trial.

PROFESSIONAL INTERESTS:

- First RFA Surgeon in Bangladesh and performed more than 100 Radio frequency ablation therapy in various types of non-small cell lung cancer and metastatic lung cancer.
- First organizer to establish Center of Excellence for Bronchial Asthma and COPD patient in government level as 175 bed National Asthma Center in Bangladesh.
- Organizer to develop treatment of Multi drug resistant Tuberculosis patient with the help of different non-government organizations [NGOs] in the National Institute of Diseases of Chest and Hospital, Dhaka, Bangladesh.
- First trainer to establish of Fiber optic Bronchoscopy in Bangladesh.

- Organizer for improvement of respiratory services for patients with chest diseases.
- First organizer to increase social awareness about importance Patient education program in chronic care patients.
- Organizer for awareness program of phasing out CFC Inhaler in Bangladesh by 2012
- Organizer of “Integrating Evidence Based Medicine in Clinical Practice” Workshop throughout Bangladesh

PROFESSIONAL MEMBERSHIP & AFFILIATION:

- **Founding President of Bangladesh Lung Foundation**
- **Editor in Chief, National Asthma guidelines for Medical Practitioners 1999, 2001 & 2005**
- **General Secretary, Asthma Association, Bangladesh, 1994 to till 2006.**
- Coordinator, Research Cell, The Chest and Heart Association of Bangladesh, 1998-2000.
- **Scientific Secretary, Bangladesh Society of Allergy and Immunology (BANSAI)**
- Life Member, Bangladesh College of Physicians and Surgeons
- Life Member, Asthma Association, Bangladesh.
- Life Member, The Chest and Heart Association of Bangladesh.
- Life Member, Bangladesh Medical Association
- Member, American College of Chest Physician
- Member, American Thoracic Society
- Member, Editorial Board, Journal of Asia Pacific Society of Respir,ology (APSR)
